Scrofula

The Worst Case the Doctors Ever Saw

Hood's Sarsaparilla Perfectly Cured

"C. T. Hood & Co., Lowell, Mass.:
"Dear Sirs:—I wish to testify to the great value of Hood's Sarsaparilla. For some time I had been troubled with scrofula, which early last winter assumed a very bad form.

Sores Appeared on My Face and hands and gradually increased in number until they reached to my shoulder. The doctors said it was the worst case of scrofula they ever saw and also went so far as to say it was incurable. I tried ointments and other remedies but to no avail. A friend recommended Hood's

Hood's Sarsaparilla Cures

Sarsaparilla, and although I was completely discouraged, as a last chance I resolved to give it a trial. After taking one bottle I noticed the sores had commenced to heal. After the sixth bottle

They Were All Healed.

I continued to take it, however, until I had used nine bottles, and now I am perfectly well."

"Must you go out again tonight?" asked the sand flat. "Yes, I must," answered the tide, "and when I come in I'll be full. See?" "High sea," was the sad reply, "why don't you fill up on Seattle beer, the stuff that don't inebriate?"

Honolulu's warm climate is conducive of thirst to a greater degree than that of a colder zone. The average business man loses also, to a degree, the amount of energy and nervous force common enough in the bracing air of American cities. These two phases of our climate make it more necessary than elsewhere to stimulate the system with an invigorant. No more healthful or purer stimulus, or one more delightful to the palate, can be found, than Pabst Milwaukee beer. It is a delicious drink and is constantly on draught at the Cosmopolitan, Pacific and the Royal.
